P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Examiner's Interview Summary Record (PTO-413) dated August 20, 2004, please review and enter the following remarks summarizing the interview conducted on August 20, 2004.

During the interview, the Examiner indicated that although the Amendment filed July 21, 2004 had been received by the USPTO, the Examiner was unable to act on the Amendment because it was still being processed for conversion to the Image File Wrapper system. Nonetheless, the Examiner agreed that the July 21, 2004 Amendment will be entered and the finality of the February 20, 2004 Office Action will be withdrawn (i.e., the application will be allowed or a new office action will be issued) because the July 21, 2004 Amendment simply amended independent claim 1 (the only rejected claim) to incorporate all of the limitations of

allowable dependent claim 2 and rewrote allowable dependent claim 5 in independent form including all of the limitations of claim 1. A copy of the Amendment was provided to the Examiner and the Examiner's supervisor, Fan Tsang, on August 25, 2004 via email.

It is respectfully submitted that the instant STATEMENT OF SUBSTANCE OF INTERVIEW complies with the requirements of 37 C.F.R. §§1.2 and 1.133 and MPEP §713.04.

It is believed that no petition or fee is required. However, if the USPTO deems otherwise, Applicant hereby petitions for any extension of time which may be required to maintain the pendency of this case, and any required fee, except for the Issue Fee, for such extension is to be charged to Deposit Account No. 19-4880.

Respectfully submitted,
